Why We Joined...

**OLC Institutional Membership**

“OLC is truly the leader in helping leaders define quality in online learning. The true benefit of this experience is having people with a great deal of expertise learn about our online operations and provide feedback for improvement.”

*Jill Langen, Ph.D., President - Baker Online & Center for Graduate Studies*

**Access OLC’s Consulting Services program:** Contract with digital learning professionals who can help you develop and assess specific online programming needs for your institution.

“The biggest advantage of our membership is the opportunity for professional development which enables our staff to continue to develop their expertise as instructional designers, and as a result, create better learning opportunities for our students.”

*Dr. Pratima Dutta, Director of Distance Learning CSUN Tseng College*

**Enjoy discounts on programs, workshops, and mastery series, as well as discounted pricing on registrations for OLC Collaborate, OLC Innovate, and OLC Accelerate conferences for everyone at your university with your OLC Institutional Membership!**

“The scorecard serves as a national baseline to show us how we benchmark against online learning best practices.”

*Mark Porcaro, Executive Director of Online Learning, Wichita State University*

**Our globally-recognized Quality Scorecard uses research-based benchmarks and standards of excellence to help higher education institutions evaluate their online and blended learning programs. Our suite of five scorecards is free to Institutional Members.**

“With our vast geographic challenges, OLC provides a valuable way for our staff and faculty to engage in meaningful learning by connecting with colleagues globally.”

*Sarah Frick, University of Alaska’s Kenai Peninsula College*
